

Raymond D. Muller

Vice President, Chief Actuary and
Data Analytics

Raymond (Ray) D. Muller joined Preferred Mutual in February 2018. In his role as Vice President, Chief Actuary and Data Analytics, Ray is responsible for actuarial pricing, rate indications, predictive modeling, and using data analytics to support and drive corporate strategies.

Ray's experience spans more than 30 years in actuarial science including over 10 years of experience in predictive analytics where he has used predictive models for pricing and to strengthen fraud detection.

Ray earned a bachelor's degree in mathematics from Niagara University in New York. He is a Fellow of the Casualty Actuarial Society and a member of the American Academy of Actuaries.
