

Ronald R. Martin

Vice President, Business Compliance & Research

Ronald R. Martin has worked his entire professional career with Preferred Mutual Insurance Company. He began his career in the Commercial Lines department in 1986. After completing internship rotations through the Technical Training Program, Ron accepted a position in the Research and Development department. He later joined the Personal Lines Underwriting team, was named Director in October 2004, and Vice President in 2009. In his current role of Vice President, Business Compliance & Research, Ron serves as an expert resource providing Preferred Mutual business teams with critical detail pertaining to regulatory compliance.

Ron graduated from the State University of New York at Cobleskill with an Associate in Applied Science degree in Business Administration. He has completed the Program in General Insurance and Insurance Regulation and holds the ASF, ARC, and AIS designations. Ron also serves as a product committee member of Hartford Steam Boiler (HSB) and The American Association of Insurance Services (AAIS).
